HEAD OFFICE VIEWING BRANCH Main Store All branches

Warehouse (Godam)
4 items · 800 units · Rs 150,400 at cost

To purchase stock into the warehouse, switch the active branch to **Warehouse (Godam)** (top bar) and use Suppliers → record a purchase.

ITEM	IN STOCK	SELLABLE	NEAREST EXPIRY	VALUE
Baby Diapers M Canbebe	200	200	7 Aug 27	Rs 136,000
Brufen 400mg Abbott	200	200	7 Aug 27	Rs 800
Calpol Syrup GSK	200	200	1 Sept 26	Rs 13,000
Panadol CF GSK	200	200	26 Sept 27	Rs 600

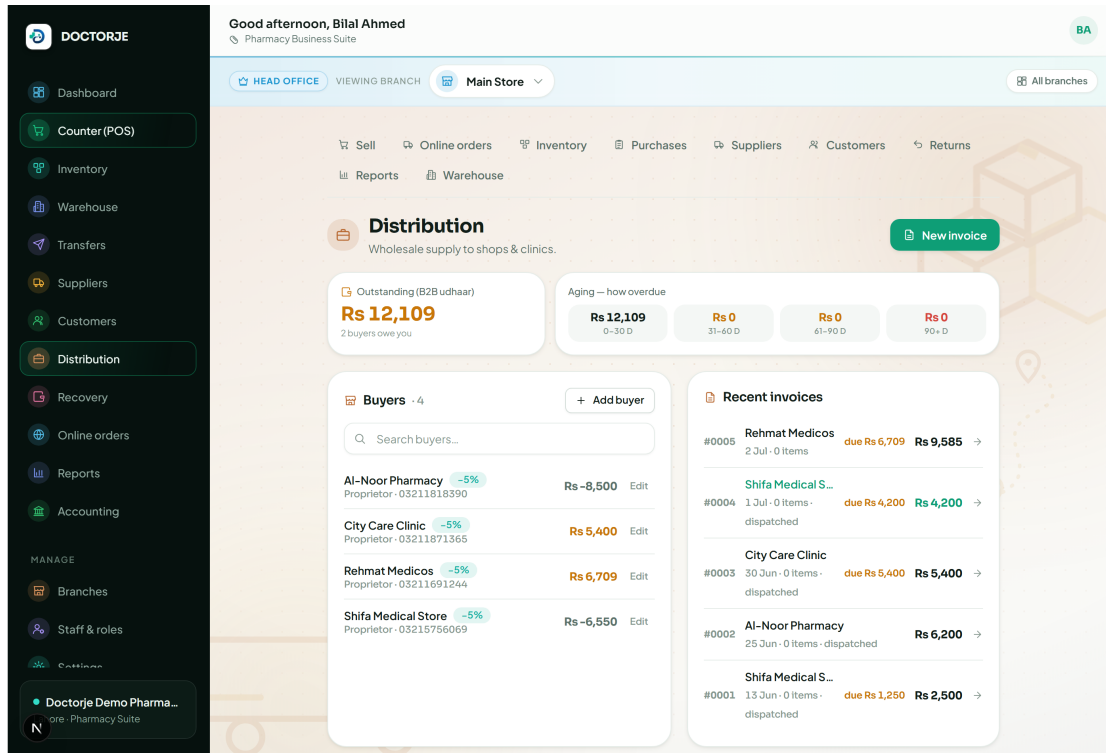

WAREHOUSE · GODAM

Central godam + branch stock

Buy in bulk, distribute to your branches.

- Keep bulk stock in your central godam
- Send stock to any branch with one transfer
- FIFO and expiry stay correct everywhere
- See exactly what moved where, and when

Godam se branch tak — stock ka poora hisaab.

DISTRIBUTION · WHOLESale

Supply other shops & clinics

Run your B2B distribution business, properly.

- Professional wholesale invoices with your logo (print / PDF / WhatsApp)
- Per-buyer credit limits and price levels
- Outstanding balance and aging for every buyer
- Delivery notes and batch-wise billing

Dusri dukanon ko maal supply karein — bilkul professional tareeq se.

RECOVERY · VASOOLI

Collect your udhaar, oldest first

The #1 tool every distributor needs.

- See who owes you, sorted by how overdue
- Collect against an invoice or on account
- Aging buckets show 30 / 60 / 90+ day dues
- One-tap WhatsApp payment reminders

Vasooli aasaan — sab se purana udhaar sab se pehle.

The screenshot displays the Accounting section of the Doctorje Pharmacy Business Suite. The interface includes a sidebar with navigation options like Dashboard, Counter (POS), Inventory, Warehouse, Transfers, Suppliers, Customers, Distribution, Recovery, Online orders, Reports, and Accounting. The main content area shows a greeting for Bilal Ahmed and navigation for 'Main Store'. The Accounting section is active, displaying a 'Profit & loss (gross)' summary for the current month (01/07/2026 to 03/07/2026). Below this, there are sections for 'Receivables (money owed to us)' and 'Payables (we owe suppliers)'. The dashboard also features buttons for '+ Add expense', 'Download PDF', and 'CSV'.

ACCOUNTING

Real books, no accountant needed

Your money, clearly accounted for.

- Cashbook and bank register with running balance
- Day book of every receipt and payment
- Expenses (rent, salaries, fuel...) and net profit
- Every entry links back to its bill

Cashbook, kharcha aur munafa — sab kuch yahin, saaf saaf.

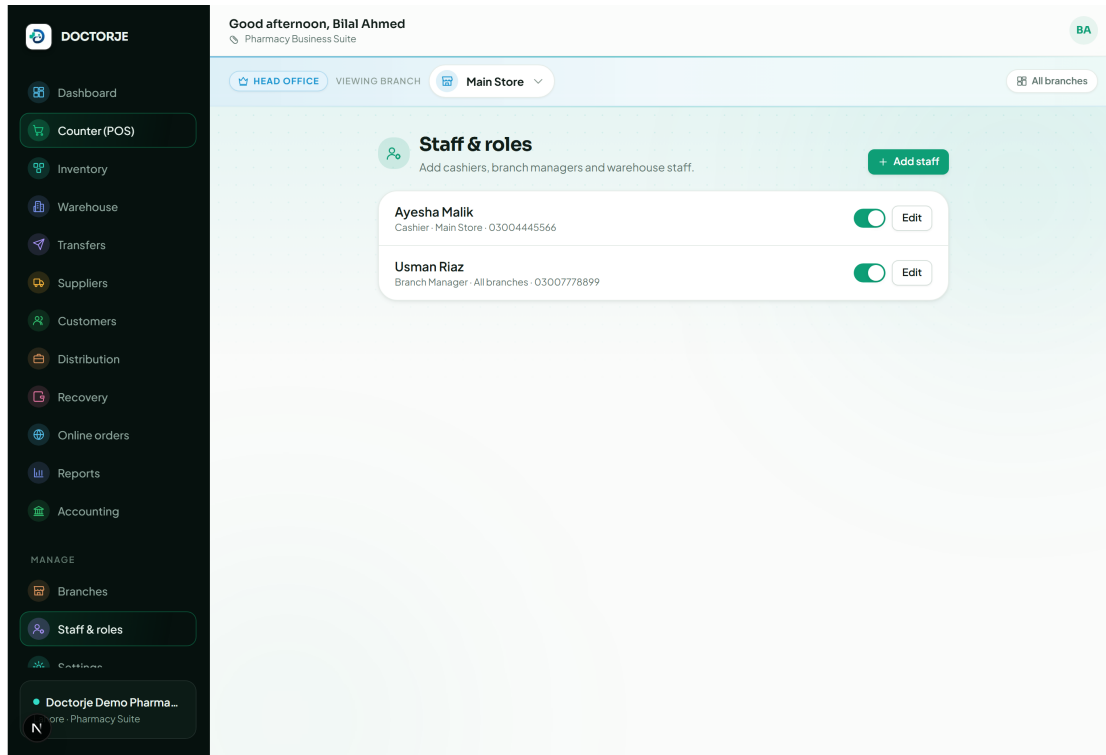

REPORTS

Know your business by the numbers

Decisions backed by real data.

- Sales, profit and margin trends
- Best-selling items and top customers
- Purchases, returns, wastage and stock value
- Export to branded PDF or Excel (CSV)

Aap ke business ki poori report — ek hi jagah.

STAFF & ROLES

Your team, your rules

Give everyone exactly the access they need.

- Add cashiers, managers and warehouse staff
- Fine-grained permissions per person
- Bind staff to a single branch
- Every action is logged for accountability

Har staff ko sirf apna kaam — baqi sab mehfooz.

Good afternoon, Bilal Ahmed
